[mey@localhost ~]$ vi bestfit  
[mey@localhost ~]$ ./devan
```

2. vi , pwd , touch , cat commands – Task 1: Basic File System Management

```
[mey@localhost ~]$ ls
.      ab.sh  Desktop  mai    Music  meyk.c  test.sh  XYZ
..     a.out  Documents mai    Pictures sample.txt Videos
ABC    bankers Downloads meyk   Public  sh       while.sh
ab.sh  bm       h         dev    REC     Templates whilw.sh

[mey@localhost ~]$ mkdir dev_lab
[mey@localhost ~]$ pwd
/home/mey
[mey@localhost ~]$ cd dev_lab
[mey@localhost dev_lab]$ touch source.txt
[mey@localhost dev_lab]$ vi source.txt
[mey@localhost dev_lab]$ cat source.txt
Hello everyone !!!!
This is the content of source.txt.
[mey@localhost dev_lab]$ cp source.txt backup.txt
[mey@localhost dev_lab]$ vi backup.txt
[mey@localhost dev_lab]$ cat backup.txt
Hello everyone !!!!
This is the content of source.txt.
This line was added via vi for testing.
This line was added via vi for testing.
[mey@localhost dev_lab]$ cp source.txt
cp: missing destination file operand after 'source.txt'
Try 'cp --help' for more information.
[mey@localhost dev_lab]$
```
